We are fully inclusive

Welcome to Hanslope 326 Club!

At 326 we know that play is an important part of a child's development and our staff support the play process at all times. Rated "Good" by Ofsted (Dec 2013), we provide a range of activities from arts and crafts, dressing up and role play, outdoor and indoor play, to organised group games, cooking and quiet play. All of these combine to help children learn new skills, build confidence, evaluate risk and promote healthy lifestyles.

The Club is a non-profit charity organisation managed by a committee of elected volunteers. This ensures major decision making is in the hands of those who use the Club.
